

GIVE \$12

Dear UOL members and friends,

Glory to Jesus Christ!

Three years ago, the UOL pledged \$25,000 to All Saints Camp by 2024. Today, we are close to the deadline but far from the goal. I know that because we only have two years to raise \$18,000, we're going to have to get creative. That's why the UOL NEB is proposing the Give 12 Fundraising Campaign. Here's what it looks like:

The campaign will run for the month of December- the 12th month. That's where we get the donation amount. The numerical date is the "daily goal" of \$12 donors. Here's another way to look at it...

12/1/2022 - our goal is **1**- \$12 donation

12/10/2022- our goal is **10**- \$12 donations

12/31/2022- our goal is **31**- \$12 donations.

If we meet our daily goals- that's a total of 496 donations. Like me, I'm sure some of you will choose more than one day to donate. If we exceed our daily goals, we're that much closer to \$25,000.

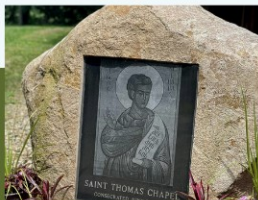

In this letter you will receive your donation form. Please fill out the form with the information requested and send it in with your donation. Then, spread the word!

Prefer online options? Head over to our website www.uolofusa.org and make a donation through tiite.ly.

Don't know what date to choose? Here are some ideas...

1. Your birthday or anniversary
2. In honor of your children or grandchildren donate on St. Nicholas Day, December 19th.
3. Patron Saints Day. Visit our website to view the calendar of saints.
4. The day a loved one passed away

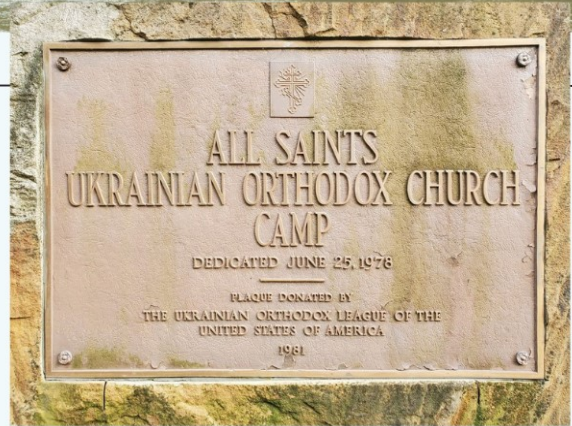

Giving and Caring

This campaign is a giving campaign but it's also a caring campaign. If you make a donation in someone's honor, we will send them an acknowledgement like the one pictured below. Our acknowledgments let your loved ones know that you thought of them, and our youth are praying for them. At the end of the campaign run, we will compile a list of donors, honorees and remembrances and pray for them by name during Divine Liturgy at our Ukrainian Orthodox Church encampments. A wonderful opportunity to make a difference.

So don't wait another minute!

Let's get started...
